APRIL MEETING

April is the meeting where we celebrate the Poway Library staff for their commitment to the thousands of people who visit the library each week with a potluck lunch. It is also the time to recognize National Library Week.

As was mentioned in a recent email, the club will provide the fried chicken, potato salad, cole slaw, rolls and beverages. Please plan to bring a dish to share, either vegetable, salad or dessert.

Someone from the Poway Library will give us an update on what is happening at our library and talk about the Summer Reading Program which is open to all ages.

Please bring any items for the projects we support and your volunteer sheets for March. (Also January and February if you have not already done so.)

We still need people who are willing to set a table for the tea. Needed: six to eight place settings including luncheon plate, cup & saucer or snack set, forks and spoons. Also creamer and sugar bowl and teapot if you have one. Please let Joye know at the April meeting if you can will provide a table setting.

Jeanne Hume, owner of Crystal Gardens will provide a program on the language of flowers. She will also make an arrangement which will be one of our opportunity prizes.

CHARMING SPRING

Reminiscent melodies
serenade the morning breeze.

Feathered creatures nest with care
in cherry blossoms pink and fair.

Perfumed scent of roses flow.
Tiny blades of green grass grow.

Misty showers soak the earth,
glorious colors come to birth.

Gathering clouds come and go,
rain, sun, and vibrant bow.

Dainty petals, fancy flair,
dancing in the warm, sweet air.

Violets, yellows, purest white,
graceful, gentle, welcomed sight.

Thank you, oh sweet lovely Spring,
patiently waiting the charms you bring!

(From Foundation website.)

APRIL SHOWERS

It is the season of new beginnings...
Spring removes her winter robe
And fades into rainbows of hope;
The sun shines its headlights into April-
And in the garden the effluent scent
Of multiple blooms delights the nose;
The naked trees are no longer bare
Clothed in egg shell, pink and green.
Now entertaining the sometime visit
Of the butterfly and bee;
Showers are but a necessity
Splashed to chase the thirst away
They are never maudlin weeping tears
But always fall on purpose
For they help to bring
Even more blossoms to May;

APRIL SHOWERS

Though April showers may come your way,
They bring the flowers that bloom in May.
So if it's raining, have no regrets,
Because it isn't raining rain you know, it's raining violets.

And where you see clouds upon the hills,
You soon will see the crowds of daffodils;
So keep on looking for a blue bird and list'ning for his song,
Whenever April showers come along.

(Refrain from April Showers sung by Al Jolson in the 1921 musical *Bombo*.)
