JANUARY MEETING

Here's to hoping for a happy, healthy and strong 2023 . . . working together to make a difference in our community.

Like the media is doing, we will recap 2022 and gather the information needed to complete our reports that are due this month.

Remember to bring your volunteer time sheets and any items you may have for our various projects. We have not found areplacement for getting rid of old shoes.

We continue to support Interfaith with donations of household items and non-perishable food items. Boys and Girls Club can always use school supplies and Gently Hugged continues to help families with birth to one-year items needed.

See you Tuesday. January 10th at 10:00 AM for our meeting, 9:30 AM for morning goodies.

PALOMAR DISTRICT MEETING

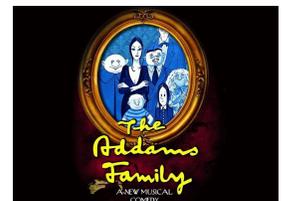

The January 24th meeting of Palomar District will be held in Fallbrook. Lunch is \$15.00. All members are welcome. We will be "marching" for the March of Dimes, so save your dimes and bring them to our January meeting so we can be part of helping March of Dimes continue their good work.

President Franklin D. Roosevelt founded the National Foundation for Infantile Paralysis, to combat polio in 1938. The name "March of Dimes" was coined by Eddie Cantor. After funding Jonas Salk's polio vaccine, the organization expanded its focus to the prevention of birth defects and infant mortality. In 2005, as preterm birth emerged as the leading cause of death for children worldwide, research and prevention of premature birth became the organization's primary focus.

POWAY HIGH SCHOOL MUSICAL

Poway High School Musical Theatre presents *The Addams Family*, A New Musical Comedy. Shows on January 27th and 28th and February 3rd and 4th at 7:00 PM, matinee February 4th at 2:00 PM

FROM THE FRIENDS

Visit the Friends Bookstore for a wealth of winter reading at a reasonable price. The store is open Tuesday through Sunday, opening when the library opens and closing a half-hour before the library closes.

Are you a member of the Friends? Support of the Friends (as little as \$10 per year) helps provided extra materials and funding for programs. Membership also indicates that the library is important to our community.

FROM THE DESK OF YOUR DEAN

Happy New Year 2023 to everyone! How did 2022 go by so quickly? Let us pray that this will be a much better year for our world with health, hope, healing and happiness for everyone. I hope that you and your families are all safe and staying well and that 2023 will bring much joy, good health and peace to all.

December 2022 was a very busy month for Poway Woman's Club! We were able to hold our Teddy Bear Holiday Tea, had a booth at Christmas in the Park for two nights, and enjoyed a meeting with potluck lunch and gift exchange in addition to all our family activities

January 1 is the start of our new club year. Our Poway Woman's Club's reports for 2022 are due to Palomar District in January. Even though 2022 was again a year in which we were not been able to be as active in community activities as we have been in past years, it is important to report all that we have been able to accomplish as individual community members. In this past year, I have only received volunteer hours sheets for a few months from a small number of members. Please check your calendars to find out all of your volunteer hours through the end of December 2022, and then PLEASE send them to Joye or to me right away. A very important part of our reports is the specific number of hours spent, as well as the number of items and amounts donated, so please be specific! THANK YOU so very much for all of the work that you do for our community!

Some of the continuing projects that we have been able to support this year have included school supplies for the Boys and Girls Club; baby items for Gently Hugged; hygiene products, clothing and household goods for Interfaith Community Services; shoes for the BLAST program; and used prescription bottles. All of these are greatly appreciated.

During December we were not able to do a Trail Walk. I am hoping to be able to find a date to check our adopted trail this month when it will not be too muddy. So far it looks as if we will be getting more much needed rain this week.

Remember that this is your club, and your board is always open to hearing from any of our members about any suggestions or ideas that you might have for programs and projects, so please share any thoughts or ideas.

It really helps when you keep up your volunteer time sheets with very specific numbers every month and turn them in to me! Let's all be very diligent and make this an easier task for our report writers! THANK YOU FOR ALL THAT YOU DO!

Wishing you and your loved ones all the best in 2023!

Rachelle

MEMBER NEWS

It is with sadness that we report that former member Jan Rubacky passed away on December 19th just days before her 97th birthday. She will be missed. Jan served as our membership chairman and was active in the Poway Historical and Memorial Society and with the senior center. Services were held on January 4th,

January 3rd found the "Lunch Bunch" at Mexi Cocina. Ron and Rachelle, Barbara and Joye were pleasantly full when lunch was over.

OLD POWAY PARK

Visit the Farmer's Market ever Saturday from 8:00 AM to 1:00 PM. Lots of fresh fruits, vegetables and flowers to choose from.

Boardwalk Craft Market is open the first Saturday of the month from 8:00 AM to 2:00 PM. Many hand-crafted items to "tickle your fancy".

PRESIDENT'S MESSAGE

A big thank you to Dorothy and Rachelle for their help with the Teddy Bear Holiday Tea. Although the attendance was less than we hoped for, everyone had a good time.

Another thank you to Diane, Dorothy, Fio, Lily and Rachelle for helping with Christmas in the Park. This year it was a two-day event. Thanks also to Rachelle's husband Ron for helping with the set-up and take down.

These events along with our Old-Fashioned Friendship Tea and Old-Fashioned Fourth of July provide the funds for our club to make a difference in the community.

My wish for you . . . good health, much happiness, and enough wealth to keep you comfortable.
