FROM THE DESK OF YOUR DEAN

Hello, everybody!

Ron and I are back home after our fifty-day motor home cross-country trip. I am sorry that I missed a lot of events while gone during March, April and May. We had a fabulous, but exhausting, trip! Now we are still trying to catch up.

On May 30 we held our monthly "Trail Walk" on our adopted "The Pond Trail" at 9:00AM. This had to be rescheduled from May 22, because of continuing rain. Our trail is looking great, and there is quite a bit of water flowing in the creek. The grasses are growing, so they will need to be cut again before summer to be fire safe.

There are still a few loose fence posts too. We will choose the date for our next Trail Walk at the June 11 meeting. If you have not been able to join us in the past and would like to do so, please let me know so that I will be able to let you know when our next walk is scheduled.

Our club year is coming to a close, and we need to make plans for the summer months and for next club year. Please share any ideas for projects, activities and programs with our board members. This is your club and we want to be able to do things and learn about whatever interests any of us.

Please remember to bring the items that you have been collecting – coupons for military families, cancelled postage stamps, Box Tops for Education, school supplies, used markers, empty prescription bottles, and shoes to support the BLAST program. Also we are still collecting items that you want to donate to Gently Hugged, Project Wildlife, and our Boys & Girls Club, as well as items to donate to Fisher House.

It really helps when you bring your hours sheets with very specific numbers to meetings every month! Let's all be diligent and make this an easier task for our report writers!

Looking forward to seeing you on June 11 at 6:30 PM for our second evening meeting!

Rachelle

THE FLAG GOES BY

Hats off!

Along the street there comes
A blare of bugles, a ruffle of drums,
A flash of color beneath the sky:

Hats off!

The flag is passing by!

Blue and crimson and white it shines,
Over the steel-tipped, ordered lines.

Hats off!

The colors before us fly;
But more than the flag is passing by:

Sea-fights and land-fights, grim and great,
Fought to make and to save the State;
Weary marches and sinking ships;
Cheers of victory on dying lips;

Days of plenty and years of peace;
March of a strong land's swift increase;
Equal justice, right and law,
Stately honor and reverend awe;

Sign of a nation, great and strong
To ward her people from foreign wrong;
Pride and glory and honor, - all
Live in the colors to stand or fall.

Hats off!

Along the street there comes
A blare of bugles, a ruffle of drums;
And loyal hearts are beating high:

Hats off!

The flag is passing by!

~ Henry Holcomb Bennett

June 14 is Flag Day first established by President Woodrow Wilson in 1916.

"It has . . . seemed to me fitting that I should call your attention to the approach of the anniversary of the day upon which the flag of the United States was adopted by the Congress . . . and to suggest to you that it should this year and in the years to come be given special significance as a day of renewal and reminder, a day upon which we should direct our minds with a special desire of renewal to thoughts of the ideals and principles of which we have sought to make our great Government the embodiment." ... I see Americans of every party, every background, every faith who believe that we are stronger together: black, white, Latino, Asian, Native American; young, old; gay, straight; men, women, folks with disabilities, all pledging allegiance under the same proud flag to this big, bold country that we love. That's what I see. That's the America I know!
