UPSTAIRS AT POWPAC

PowPac is planning to open their 40th season on July 16th, providing state and county guidelines allow. The opening show will be *Murder on the Nile* by Agatha Christie. This is the play that was scheduled when everything closed down in March, 2020.

The officers and management team have been working diligently to get the theatre ready for the reopen. Many upgrades have been added.

Watch for announcements regarding the new season and support our community theatre. We are so lucky to have so many dedicated volunteers who work tirelessly to present quality live entertainment at a reasonable cost.

I love life. I love the live theater.

NEW PROJECT

At our May meeting one of our newest members brought a project to us that was suggested by her nearly four year old daughter.

We will be collecting tooth brushes, tooth paste and other dental hygiene products. These will be

donated to Interfaith Community Services to be distributed to families in need in North County.

So ladies, start collecting!

Fio will be chairing this project.

CFWC CONVENTION *Metamorphosis*

Barbara and Joye attended the 118th annual convention of the GFWC California Federation of Women's Clubs..

The convention was held May 13, 14 and 15 via Zoom. The communication team orchestrated the event beautifully.

Bylaws and Resolutions were tackled the first day and went so smoothly that no other session on those items was necessary.

The morning speaker on the 13th was Dr. Marissa Pei whose presentation centered around her book *8 Ways to Happiness: From Wherever You Are*. Message: Choose to feel better.

On Friday the speaker was Julia Cooke who wrote the book *Come Fly the World: The Jet-Age Story of the Women of Pan Am*. This was really fascinating. If you like stories about women and that are also historical, you are sure to enjoy this book.

Saturday morning there were four separate area meetings to vote for the candidates for the CFWC Elections Committee and the CFWC Nominating Committee. Barbara was elected from Area D and will be on the committee selecting candidates for the 2022-2024 California Federation of Women's Club administration. Congrats Barb!

Wendy Carriker, GFWC First Vice President gave two workshops on Saturday morning and was the featured speaker in the afternoon. She talked about her journey from member to International Officer.

Pam Ament, our CFWC president also gave a presentation on Saturday. She talked a bit about her time in the military, her many years of theatre and her journey from brand new member to officer of her club (almost instantaneous) to her thrill to be serving as the president our our wonderful GFWC California Federation of Women's Clubs

FLAG DAY, JUNE 14, 2021

One of the convention workshops was on Civic Engagement. Please take time . . . maybe even on flag day . . . to view this video.

I AM THE FLAG starring JIMMY WELDON - YouTube. (I typed Jimmy Weldon, flag into my browser.)

Please remember to record on your volunteer time sheet that you watched this video.

FROM THE DESK OF YOUR DEAN

Hello, everybody! Happy month of June and the approach of Summer! With the loosening of many restrictions that have been in place for the past fifteen months, hopefully we can soon return to our normal lives!

We had a "Trail Walk" on our adopted "The Pond Trail" last Wednesday, May 26. Fiorella and Lily and I had an enjoyable time together while we picked up trash and observed trail conditions. I was thrilled to find that some of the needed repairs that we have been reporting have been completed. There are many new fence posts that have been installed to replace ones that were missing or broken or in poor condition. Crushed rock has been placed in some of the deep ruts that posed dangers to trail users. We can determine the date for our next group trail walk at the June meeting. If you have not been able to join us in the past and would like to do so, please let me know so that I will be able to let you know when our next walk is scheduled.

At our May 11 meeting we adopted a new project to collect dental care items for those in need. Please bring tooth brushes, tooth paste, dental floss or other such items to the meetings for this cause. It would also be great if we could collect some children's tooth brushes and tooth paste, as well as those for adults.

Our club year is coming to a close, and we need to make plans for the summer months and for next club year. Please share any ideas for projects, activities and programs with our board members.

This is your club and we want to be able to do things and learn about whatever interests any of us.

Good news about some of our continuing projects! We now have a place to send our used prescription bottles! Dorothy will be sending them to Mathew 25 Ministries in Cincinnati OH, so be sure to get them to Dorothy for shipment. Also, Joye has made contact with a person to whom we can bring the shoes for the BLAST program!

Please hold onto any of the items that you want to donate to Gently Hugged, Project Wildlife, Fisher House, and our Boys & Girls Club.

Please remember to keep track of your volunteer hours and turn in your hours sheets when we have our meetings.

I hope that everybody is taking good care of themselves and staying healthy! Remember to celebrate all of the good things with which we have been blessed!

Happy Father's Day to all fathers on June 20!

Looking forward to seeing you at our June meeting!

Rachelle

OLD-FASHIONED FOURTH OF JULY

At this point we still do not know what our participation in the July 4th celebration will look like. It is unclear what restrictions will be placed on organizations in regards to serving food. The application for a Temporary Food Permit seem to be more restrictive.

We should still plan to participate and let the community know that Poway

Woman's Club is still here to do what we do best . . . make a difference.

Details will follow via email as they are resolved. Meanwhile plan on being in Old Poway Park on Sunday, July 4th.

MEMBER NEWS

Sherrie has returned from visiting her daughter and family. Remember to ask her about her granddaughter.

Dorothy will be co-producing *Murder on the Nile* which opens at PowPAC on July 16th.

Barbara will be attending the GFWC Convention which will be held in Atlanta, August 27-30.

A MOMENT IN GFWC HISTORY

In 1925 GFWC initiated a nationwide Federation survey of the American home, which placed a spotlight on the status of technology in the home. The survey led to the inclusion of homemaker as an occupation on the 1930 United States Census.

PRESIDENT'S MESSAGE

Yeah! Summer is here and it seems that many restrictions are scheduled to end. That's the good news. But please remember to be safe.

If you have a project you would like the club members to support or a program you think we should present, please let Joye or Rachelle know. This is your club and it hoped that we can present projects and programs that inspire.

Lunch Bunch will meet July 6th at noon, place to be determined and August 3rd at noon also to be determined. Mark your calendar and friends are always welcome.

The past months have been a challenge but we've spent more time at home (either getting things done or not) and learned to really appreciate what we have.

Joye

JUNE IS BUSTIN' OUT ALL OVER

June is bustin' out all over
All over the meadow and the hill
Buds're bustin' outa bushes
And the rompin' river pushes
Ev'ry little wheel that wheels
beside the mill

June is bustin' out all over
The feelin' is gettin' so intense
That the young Virginia creepers
Have been huggin' the bejeepers
Outta all the mornin' glories on the fence!
Because it's June!

June, June, June
Just because it's June, June, June!

We have room in this country for but one flag, the Stars and Stripes.... We have room for but one loyalty, loyalty to the United States.

We take the stars from heaven, the red from our mother country, separating it by white stripes, thus showing that we have separated from her, and the white stripes shall go down to posterity, representing our liberty.
