## SUMMER UPDATE

Hopefully you and yours are staying safe and healthy. These are interesting times that we never anticipated in our wildest imaginations. Be proud of yourselves of observing "social distancing" and wearing your mask as required. You have protected not only yourself but those outside of your home.

Currently we are still in a holding pattern. We have been asked by Sarah at Old Poway Park to submit our meeting and events dates for the rest of the year. That said, there is no information as to what that will look like.

Is there interest in meeting via Zoom?

Unfortunately with no internet, several members will not have the ability to participate.

Regarding items you have been saving for our various projects, please continue. If you are saving cents-off coupons, go through them and discard all that a time sensitive.

## FROM THE FRIENDS

The book store is still closed and no information is available at this time as to when it will open. If you have donations and are not able to hold them until the store opens please let Joye know. A pick-up might be arranged.

LIBRARY: The current status is that materials can be requested and at the door pick-up is available. Library staff has been preparing for opening whenever the State Library allows this to happen. There will be limited access, about 25% of capacity.

The main focus will be on requested items.

Magazines other materials are available. If you don't have a San Diego County library card, you can get one so you can check out items. Go to [sdcl.org](http://sdcl.org) and follow the directions.

## MISSING DURING SOCIAL DISTANCING

Hugging is healthy.  
 It helps the body's immune system.  
 It cures depression.  
 It reduces stress.  
 It's rejuvenating.  
 It has no unpleasant side effects.  
 It is God's miracle drug!  
 It is all natural, it contains no chemicals, artificial ingredients, no pesticides, and no preservatives!  
 Hugging is practically perfect.  
 There are no parts to break down, no monthly payments, non-taxable, non-polluting, and of course - fully returnable!

“Laughing together is as close as you can get to a hug without touching.”

Gina Barreca

“Hugs are one of the reasons God gave us arms. So, stretch out your arms to someone today. Reach out to those you love. It will warm the heart of the giver and give light to the soul of the recipient.”

## PRESIDENT'S MESSAGE

As we begin a new club year we face many changes/challenges. Our new CFWC President Pam Ament is using as her motto “Change is Beautiful” with a butterfly as her logo.

As a aficionado of unicorns I think there is something magical about them. Maybe the changes we make in this new reality will be the magic that happens when we meet the challenges.

Each one of us has the power to help make the changes that will help our club serve our community. If you have ideas for projects or programs, please let Rachelle or me know.

Take care and stay safe.

Joye.

Enjoy the rest  
of the summer!

## FROM THE DESK OF YOUR DEAN

Hello, everybody! Happy middle of Summer and, hopefully, some return to our normal lives in the near future!

Ron and I are back from our month-long motorhome trip in California and Oregon. Our daughter Debbie also went with us towing her travel trailer with her Jeep Grand Cherokee Trailhawk. We were able to see and visit many of our favorite places, including the California Federation of Women's Clubs' Grove in the California Redwoods. We also visited one of my brothers and his family in Oregon and two of Ron's cousins, one in Oregon and the other in California, and their families.

We had our last group "Trail Walk" on our adopted "The Pond Trail" back in February. Due to restrictions we were not able to work as a volunteer group after the shutdowns. Ron and I did check our trail in April and also in June. I will let you know when we plan our next group trail walk. If you have not been able to join us in the past and would like to do so, please let me know so that I will be able to let you know when our next walk is scheduled.

Our club year came to an unexpected shutdown, as well as plans for the summer months and for next club year. We are all missing being together and hope to get back to "normal" sometime in the future. Please share any ideas for projects,

activities and programs with our board members. This is your club and we want to be able to do things and learn about whatever interests any of us.

Please remember to save the items that you have been collecting – coupons for military families, cancelled postage stamps, Box Tops for Education, school supplies, used markers, empty prescription bottles, and shoes to support the BLAST program. Also please hold on to any of the items that you want to donate to Gently Hugged, Project Wildlife, Fisher House, and our Boys & Girls Club.

Please remember to keep track of your volunteer hours and turn in your hours sheets when we are able to get together again.

I hope that everybody is taking good care of themselves and staying healthy! Remember to celebrate all of the good things with which we have been blessed!

Looking forward to seeing you whenever we are allowed to meet again!

*Rachelle*

## JUST AROUND THE CORNER

Just around the corner  
Is supposed to be  
The place where happiness  
Waits for you and  
me..

Just around the corner  
Is too far away;  
Be happy where you are  
Every passing day.

Right here and right now,  
too,  
Is the time to start,  
For real happiness comes  
From within your  
heart.
